

## **FY26 ADDENDUM 1: JULY 29, 2025**

Please see below for questions and answers regarding the Nature and Culture Destination Enhancement grant program application.

1. Do thank you notes in greeting cards count as letters of support?

It is preferable to have dedicated letters of support for the grant rather than a thank you letter. Grant support letters typically clearly state support for the proposed project, describe the relationship between the writer and the applicant, explain why the project is valuable or needed and indicate any specific commitments (e.g., partnership, resources, outreach).
